

Simon Lepori

Experience

May 2023

Councillor • Timperley Central • Trafford

May 2022

Candidate • Hale Barns • Trafford

May 2021

Candidate • Greater Manchester Mayor • Greater Manchester

I have stood at every local election in Trafford since 2016, and have already stood in Wythenshawe & Sale East at the General Election in 2019. Aside from standing as a candidate I have also been a campaigns organizer for three local parties in the North West since 2019.

Education

- I have attended university twice gaining a foundation degree in Health & Social Care and a BA in American Studies & Politics. I went to school in St. Albans where I grew up achieving 6 A-C grade GCSEs and 2 A-Levels.

Communication

During my mayoral campaign I debated with Andy Burnham on many occasions including both ITV and BBC televised debates. I have a natural ease when talking in public and have spoken at Regional and Federal conferences on many occasions over the past 8 years. I have a good relationship with local journalists.

Leadership

I have held many roles within my local party, developing our social media presence and technology usage, alongside mentoring new activists and building membership communication.

I have been involved with the regional party and have sat on the executive of LGBT+ Lib Dems during the past 8 years.
